

Women of Worth Utah

giving women a HAND UP, not a handout

Empowering Women to Build a New Life

Nomination/Application Form

What is Women of Worth, Utah?

WoW Utah is a 501(c)3 dedicated to **encouraging, educating, and empowering**

women to change their lives. These deserving women may not know where to start. That is where WoW Utah comes in!

These valuable women are given the opportunity to create their own new beginning as they move forward from having survived devastating life experiences. WoW Utah facilitates a personal transformation with tools and resources that provide a re-start from the inside out - and the outside in - with valuable life skills, confidence and strength builders, and the finishing touches through makeovers as our team of stylists, fashion experts and service providers bring out the true essence of each woman.

WoW Utah provides ongoing life-skills coaching and mentoring to women to facilitate lasting change and support. After this transformation, Women of Worth graduates transition into volunteers and mentors, serving other women who are still trying to find their path, all along staying part of the Wow Utah family.

Every woman who participates in WoW Utah acquires a belief and values system that she is worthy, capable and more than enough!
